GALVANISED IRON CLEANER

PRODUCT DESCRIPTION

Prodec Galvanised Iron Cleaner is a mildly abrasive cleaner and degreaser for galvanised steel.

PRODUCT FEATURES

- Removes the greases and oil that manufacturers use to protect galvanised steel
- Easy to use
- Because of its red colour, it is easy to see where the product has been used but not removed
- Washes off with water

APPLICATION AREAS

- Uncoated galvanised steel
- Galvanised steel and oily or greasy substrates.

APPLICATION PROCEDURE

- Use undiluted. Work the product into the surface well using a scrubbing or block brush (not a paint brush). Rinse off all traces of Galvanised Iron Cleaner with lots of clean water.
- Repeat the washing process until the metal is grease (water break) free.
- Allow to dry well before applying new paint.

GENERAL

- Clean application equipment and accidental spillages and stains with clean tap water.

COLOUR RANGE AND QUANTITIES

- Red liquid
- 5L

PRECAUTIONS

- Ensure there is adequate ventilation during application.
- This material is highly flammable.
- Flash point is above 50°C.
- Do not eat, drink or smoke while using this product.
- Seek medical advice if swallowed. Do not induce vomiting.
- In case of contact with skin or eyes, rinse with plenty of clean water
- Keep out of reach of children.
